SAMPLE 8 OF 8

Quarter Turn Auto Repair

TITLE (MAX 70 CHARACTERS)

One-page website for a Grand Rapids auto repair shop (concept)

DESCRIPTION

Quarter Turn Auto Repair is a concept for a made-up auto shop in Grand Rapids, Michigan, with sample prices and copy. A price board sits right under the hero, with posted prices for oil changes, brakes, diagnosis, tire swaps, batteries and alignments, and the process explains the photo-and-price text before any work so nothing gets done without the owner's OK.
